Hi Jennifer

It's updated at least weekly but usually 2-3 times a week. It's not automated, so I can't promise to do it the same day each week or the same time each day.

Maria,

How often do you update the 2020 data on NJSHAD? If you want to respond directly, that's fine too.

Thanks,

Darrin

Hi New Jersey! Florida researcher here. Thank you for releasing 2020 provisional data. At what frequency and when is your data updated? For instance, Ohio is daily, Florida is Sundays at 9:30pm. Thanks so much! Stay safe!
